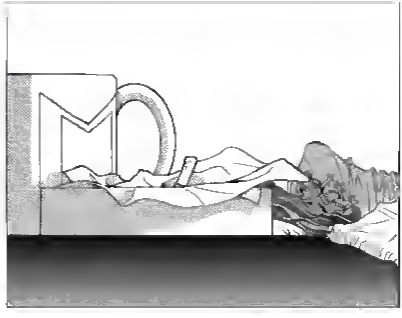
No way! No way!
That's just a
misunderstanding!
To think I almost made
such a huge mistake!
Good Job!
Good job, Mary!
Think about it, you've
just escaped from
the clutches of evil!



Plonk!

Yo! Pull yourself together already!
I got you some sweet rice-sundae!!

Huh? What's up with this reaction to sundae?

Tsk! He's a goner! His eyes are like zombies at dawn!

Geez! Just leave me alone, will you?!

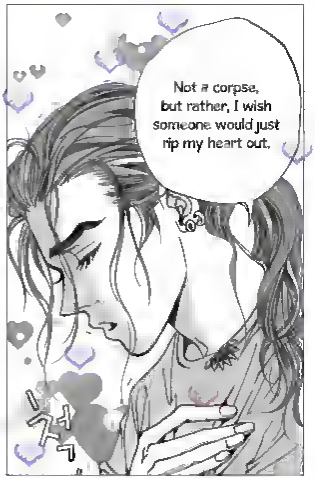
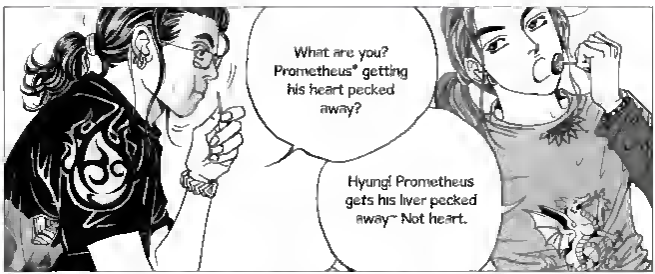
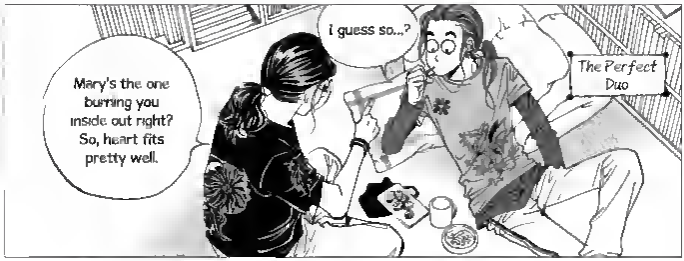
2.
SFX Plop!

SFX: Hit Hit

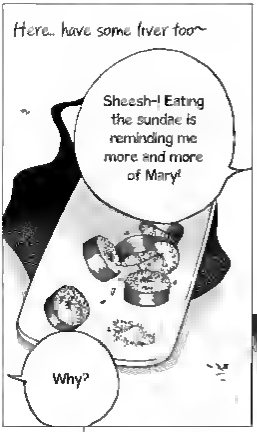




*In Greek mythology, Prometheus was a Titan who stole fire from Zeus and gave it to mortals. Zeus then punished him for his crime by having him bound to a rock while a great eagle ate his liver every day only to have it grow back to be eaten again the next day.



Mary's the one burning you inside out right? So, heart fits pretty well.
I guess so...?
The Perfect Duo



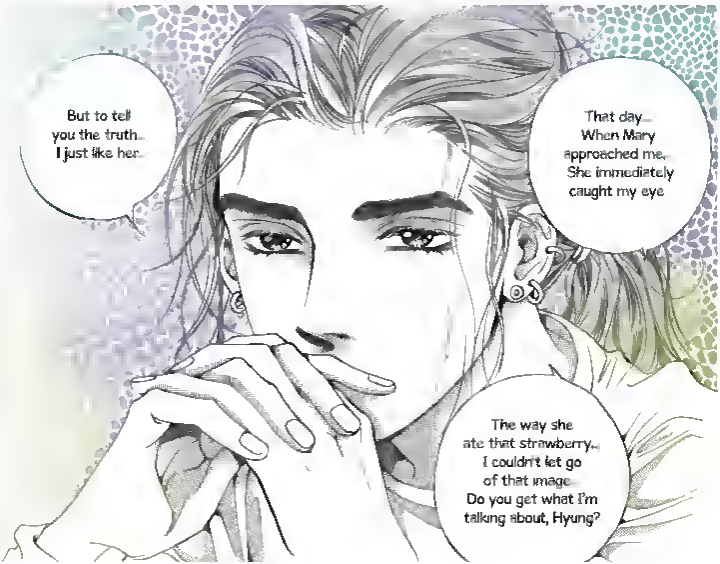
Here.. have some liver too~
Sheesh-! Eating the sundae is reminding me more and more of Mary!
Why?

She demanded that I eat gimbap so I wanted to emphasize that I hated it by telling her I don't eat sundae either

Seems like Mary's decided to permanently settle in your head! Tsk Tsk...

Not head but here.

Why do you even like her so much?
No idea.
Is this crap what you call love?

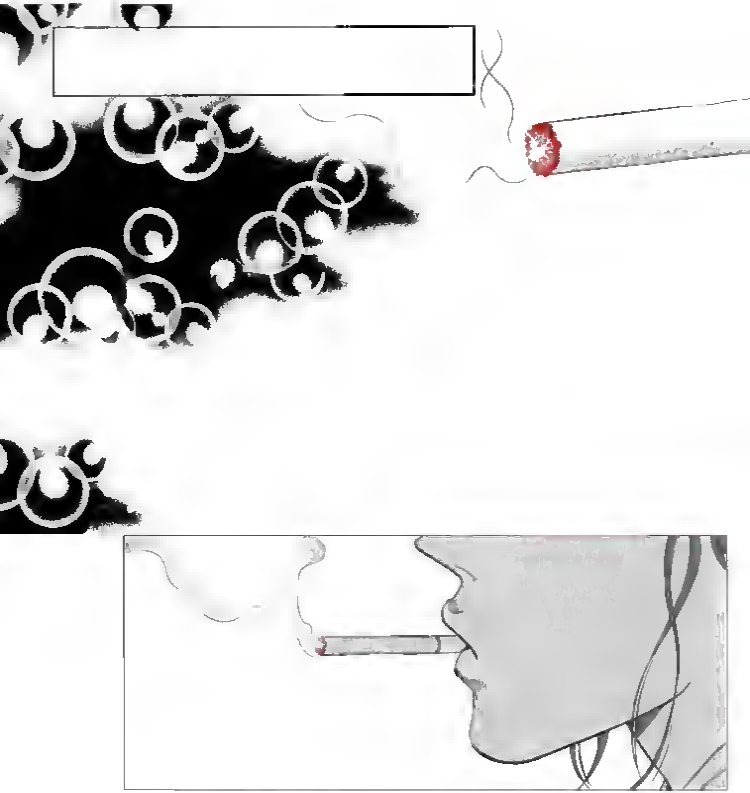


But to tell you the truth... I just like her...
That day... When Mary approached me... She immediately caught my eye
The way she ate that strawberry... I couldn't let go of that image... Do you get what I'm talking about, Hyung?

Her umbrella was pretty ridiculous too. But everything about her just caught my attention...
I'm pretty tired after eating that sundae. Let's push off the practice for later, okay Hyung?

SFX. Grab

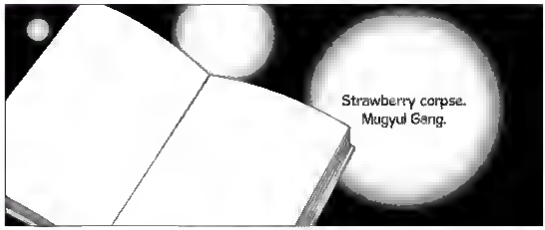
Slacking off on me again?! Want me to get your coffin ready?
Quit acting like a living corpse and call Mary already!!



Dammit, I got kicked out! I didn't even take a sip of water after that sundae..
Heh, just thinking of sundae reminds me of her. Should I really try calling her again?

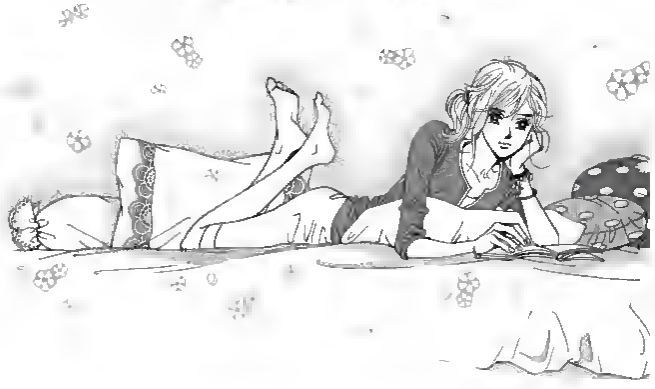
KiN

EEN



Strawberry corpse.
Mugyul Gang.

Explosive... risky... liberal... no manner... detestable...
...drama queen... simple-minded... unreliable... insincere...
snooty... evil... silly... and charming...



...Charming...

Even after all of those bad criticisms
he still ends up with a single good
one... charming...

Beep
Beep

THUMP
Crap! It's Mugyul Gang..!

He wants me to meet him?!

Yo Mary! Hurry up and send a reply Why are you so slow?
Hurry up reply will you, Huh?

Mary, I didn't think you were like this.
You won't regret this I promise! Reply already! I'm starting to get angry here...
Hey, hey It's only been 20 seconds

I was doing good at it.

Emotion dresses me in clothing called "will"

My indifference to you.. Rejecting you...
Everything is a lie..

Moreover I am cheering on this lie.

That's right .. I am doing good.

That's it.

But...

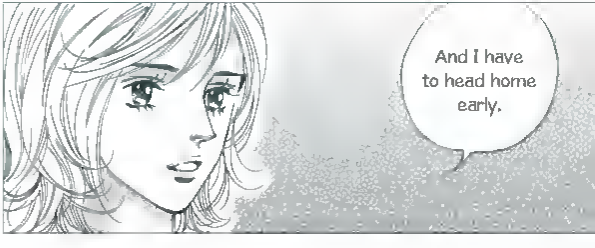
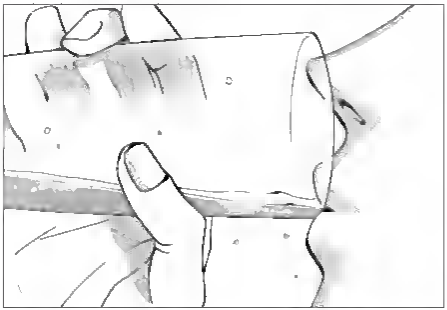
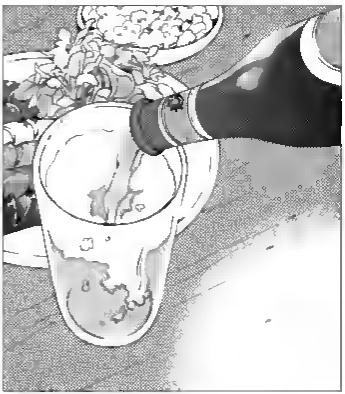
18. Purity and Dispassion

I don't drink much.



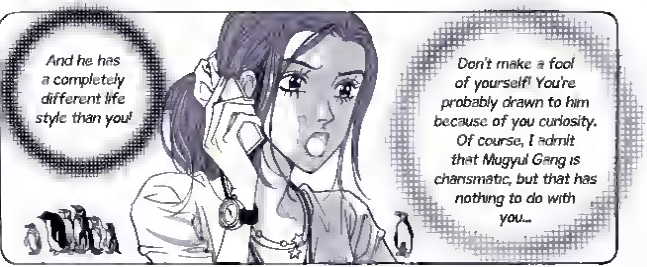
And I have to head home early.





Why aren't you saying anything after calling me out..?

Don't you think he's a vulgar person by the way he messed around with other people's lingerie?



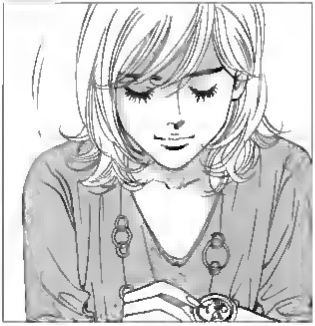
And he has a completely different life style than you!
Don't make a fool of yourself! You're probably drawn to him because of you curiosity. Of course, I admit that Mugyul Gang is charismatic, but that has nothing to do with you...

Ohmagosh!! Are you crazy? Why would you turn him down?! He's a rare hottie .. If I were you, I wouldn't care about what would happen, I would just dash out to see him!
How are you going to have a relationship when you weight every little detail?

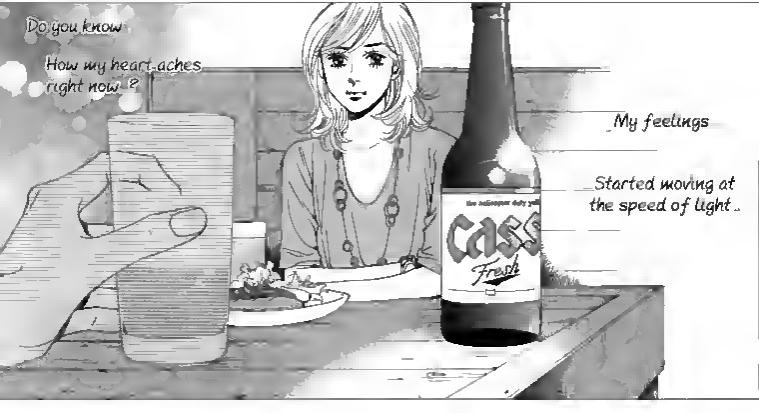
And people who cut of their feelings like that become too independent. Only people like Nak In would do that. You should date a lot! Just like me. If you have a lot of relationships, then you will learn how to pick the right man! That way you can have a happy marriage!
It's pitiful when people waste their time with useless guys. If soul mates exist, won't they show up sometime in your life?!
When you have to start building your life and have goals of your own, do you really have time to throw away with a worthless man? Aren't I right?

Both seem right!
But I came out in the end.

But why isn't he saying anything after he called me out?



Mary...



Do you know
How my heart aches
right now ?
My feelings
Started moving at
the speed of light
Cass
Fresh

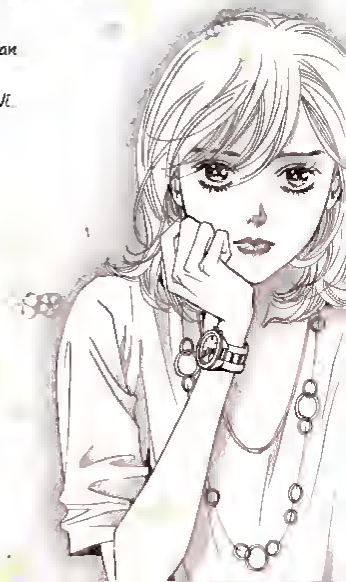
The only things I know about you is that you are..

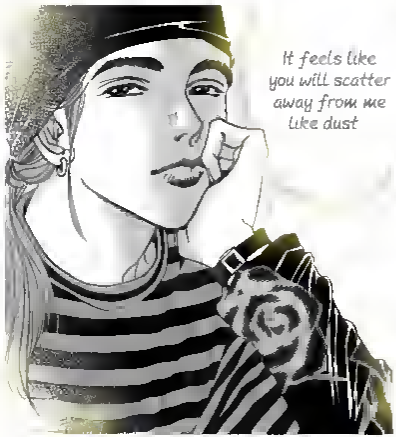
A human like me..

A woman

Mary Wi..

Even though those are the only things I still. ..



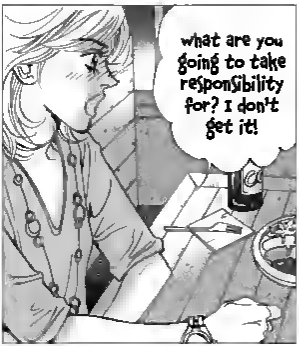


His face really is appealing...

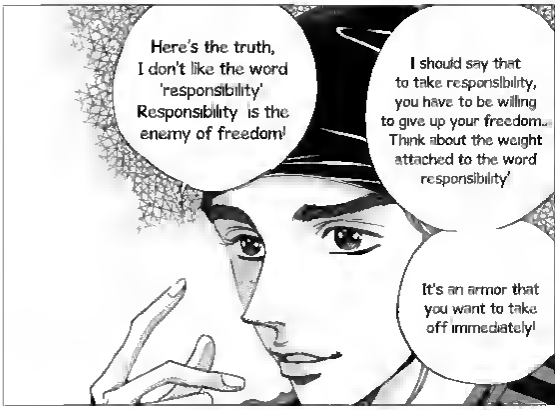
That's why he's so captivating when he's on stage

He must have a different destiny than mine

I really have to head home early, so are you going to keep wasting my time like this?
Don't worry I will take responsibility...



what are you going to take responsibility for? I don't get it!



Here's the truth, I don't like the word 'responsibility' Responsibility is the enemy of freedom!
I should say that to take responsibility, you have to be willing to give up your freedom. Think about the weight attached to the word responsibility'
It's an armor that you want to take off immediately!

But if I have to wear that kind of armor for you ..
You understand, right? what I am saying right now...
Just get to the point! All that talk in riddles is confusing!!

So in simple words—
I want to give all of my independence to you
And for you... I want to take responsibility for all of your happiness, ambitions, and future!

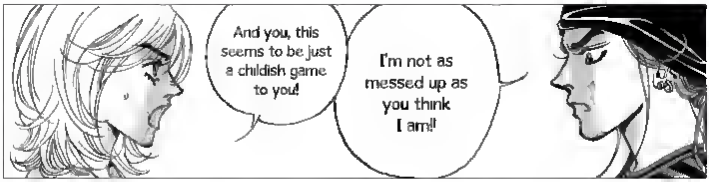
That's it!! I absolutely hate this sort of ridiculous way of talking!
I'm saying I want to be with you til the end! Dammit!!

What exactly is this 'end' you keep babbling on about?

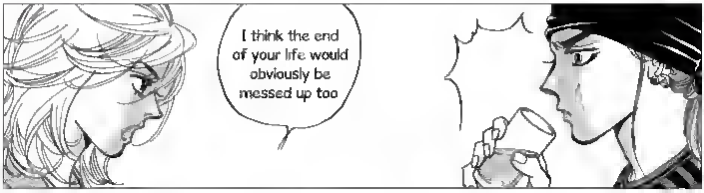
You don't know?

Are you telling me to measure how deep your soul is? If you are talking about that kind of end, I am sure that I can clearly see the bottom of your shallow soul-

Don't speak so carelessly! You sound like an ignorant brat!



And you, this seems to be just a childish game to you!
I'm not as messed up as you think I am!!

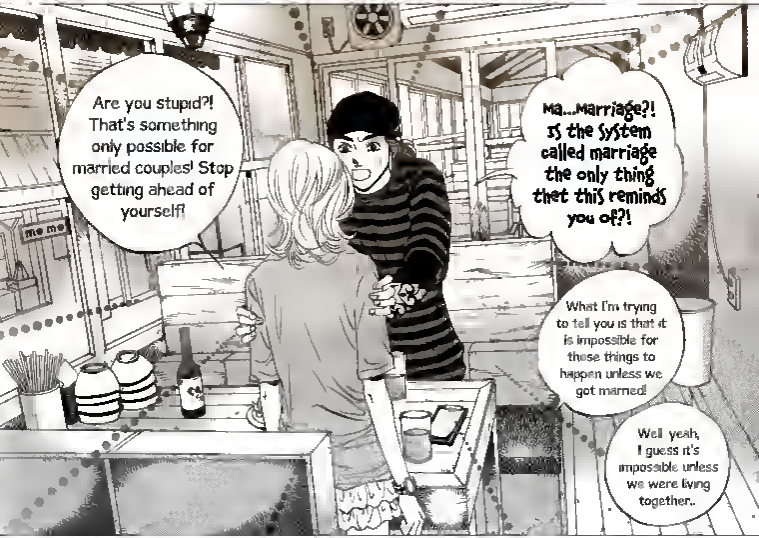


I think the end of your life would obviously be messed up too

And how about you...? How can you carelessly talk about the death of someone who you will be together for a long time?!
The 'end' I am talking about is...!

Girl Cry
wha... what?!!

The end is...
Me dying your white hair, you washing my back, and us giving up on many things to be together until the end of our lives!!



Are you stupid?! That's something only possible for married couples! Stop getting ahead of yourself!
Ma...Marriage?! Is the system called marriage the only thing that this reminds you of?!
What I'm trying to tell you is that it is impossible for these things to happen unless we got married
Well yeah, I guess it's impossible unless we were living together..

Living together... that makes my heart beat .!
What?

SFX: Splash

So you are crazy? you... underestimating me like that...
Did you think you could deceive me into what you want by confusing me with your grand speech?
Thank you for letting me know what you are really after so soon, but... you're a pervert, you bastard!

Hey! Why are you getting so upset so soon?! At least listen to what a person has to say until the end..
Damn!

How cheap do you think I am...
I can't believe him...

Hey! Sit back down!
Such temper... I still haven't got to the point yet!
The point? Don't make ma laugh

The talk about living together just came out on the spur of the moment.
I really mean everything I said before that.
So please sit back down.

19. The Wall That Can't be Climbed

What is wrong with me...?

Mugyul's expression seems so

Sincere to me.

I should have ran out already

But...

My feet..

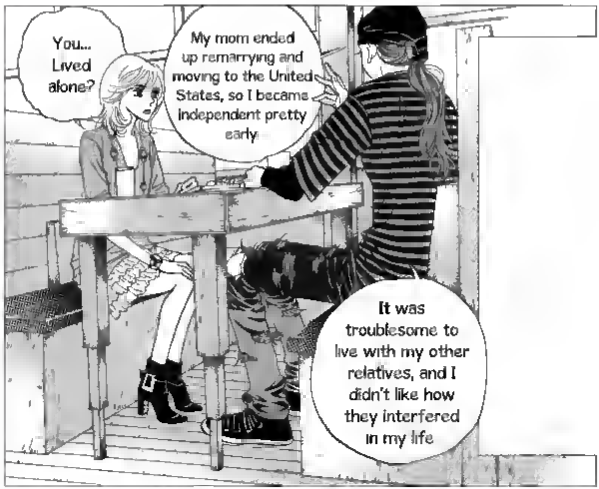
They won't move.

Anyways, how old are you? Why won't you tell me?!

I'm twenty-five.

Whoa. We really are meant to be together.
What?
I know it will sound absurd, but.

I... had a dream to get married when I was 19 to a girl of the same age... Haha.
But, when I understood my ego, I let that dream go. It was just a foolish dream of mine from when I was living alone...



You... Lived alone?
My mom ended up remarrying and moving to the United States, so I became independent pretty early
It was troublesome to live with my other relatives, and I didn't like how they interfered in my life

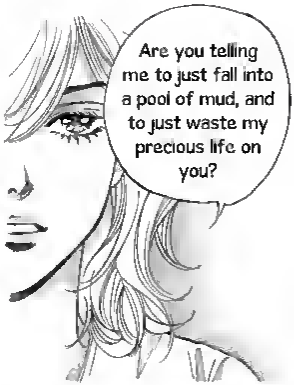
I guess the adults thought I was pathetic, since I lived my life without differentiating between day and night, and spent all day playing my guitar.
But, everything I've said to you, so far, is the truth.

Your life story isn't any of my business though!
Well.. Actually, learning about you bit by bit scares me.

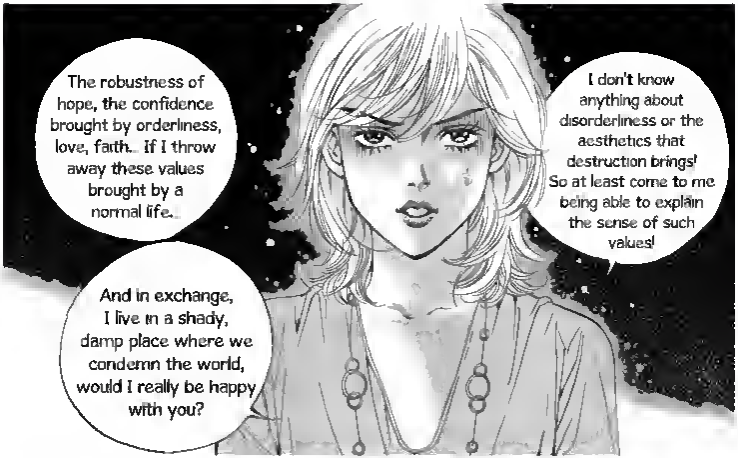
If everything you've said to me is true and we end up going out...
Your disorderly, arbitrary self will clash with my own ambitions.

I said, I want to be with you until the end, but because I want to do that...
Don't we have to get past each others criticisms first?

It might be my imagination.. But if we're together, I... Will probably end up falling into despair over and over You, are unpredictable, and might leave me one day
Life is an adventure. Wouldn't it make life even more thrilling this way?



Are you telling me to just fall into a pool of mud, and to just waste my precious life on you?



The robustness of hope, the confidence brought by orderliness, love, faith... If I throw away these values brought by a normal life...
And in exchange, I live in a shady, damp place where we condemn the world, would I really be happy with you?
I don't know anything about disorderliness or the aesthetics that destruction brings! So at least come to me being able to explain the sense of such values!

CLICK

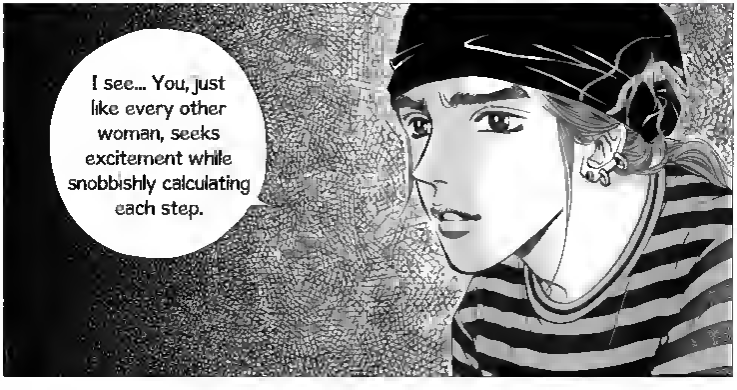
Don't ever say anything like that again.
It just makes your mouth look like trash.

Is your mind always that barren? Don't you have any darkness? Any cloudy days? Maybe some acid rains in your life?
Are you the type of person that does not know the pain of the darkness you trample under your feet?

If you are unhappy about my music... Then change your way of thinking! I am only trying to find beauty in something other people avoid.
These type of things are always with us. I am only trying to sing songs about them.

A song? More like a hymn!
Music that praises the corpses and worships death...

Snobbish...



I see... You, just like every other woman, seeks excitement while snobbishly calculating each step.

Snobbish...?

Well... I deserve to be called that

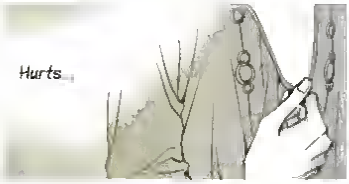
Because I'm...

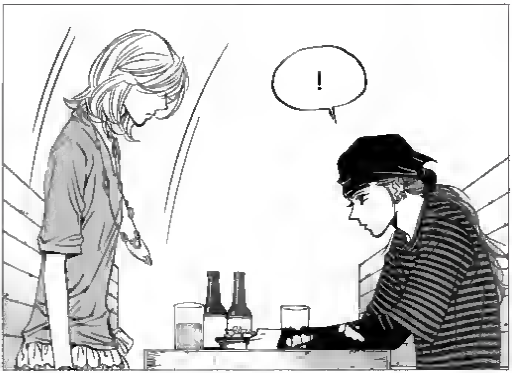
Stubbornly forcing myself to deny your words...

But...

It still...

Hurts...





Sorry... It's not that I hate you! No... I actually wanted to get to know you.
But I can't No matter how hard we try... We just can't be together.

How foolish! I'm disappointed.
Well... Prejudice is something people like you rely on. Your type only know how to differentiate black and white.
Those type of people lack both bravery and persistence. That's why when they are not sure where they belong, they can only tremble in fear

My heart's crumbling

Because it hurts
And hurts

It's raining in my heart

I want to give up and agree with everything Muggul is saying

But I can't do that

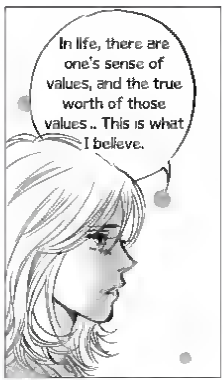
Don't possess a reality that allows me to compromise

But even I am not cold hearted enough to cut out my own heart

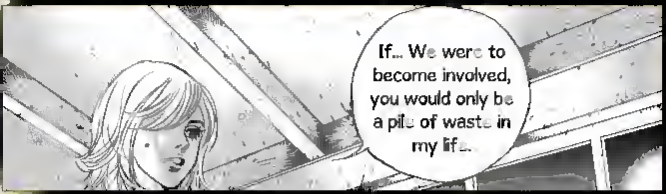
A person with a unbound soul like yours
Won't understand. What kind of life I am going through

...This

Is so that I can run away as far as I can from you



. The real worth of values is merely deceptive talk of worldly minded people-
Real worth of values is just a set standard.
...
That's right.. If I think about it, with your low standards..
Do you really think you can understand people's sense of values like mine?
A snob like you will never understand



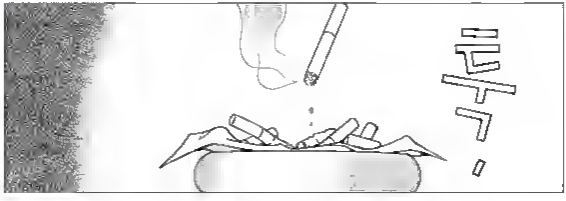
If... We were to become involved, you would only be a pile of waste in my life.

That's what a snob person like me thinks.

Wastes can be fertilizers! Aren't I a fertilizer in your life?
Isn't that awsome?

That's right. Fertilizers give off a noxious smell... Because they have rotted.
That's what your future self will look like.

Everyone rots! I'm sure the way you smell when you rot won't be so special from the others.



뚜!

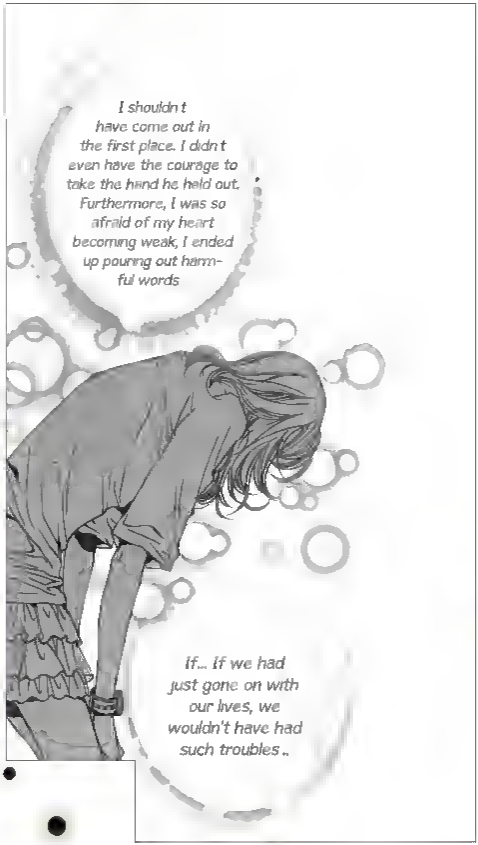
Did I really have to go this far.?



I shouldn't have come out in the first place. I didn't even have the courage to take the hand he held out. Furthermore, I was so afraid of my heart becoming weak, I ended up pouring out harmful words
If... If we had just gone on with our lives, we wouldn't have had such troubles..

21. Reunion

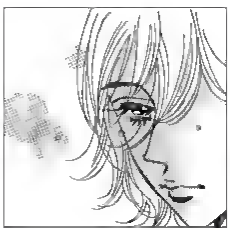
Mary....
?.....

Mugyul...
Gang...
You..

How.. How long have you been here?
Ever since I left ..

Did you... Hear me calling out to you?

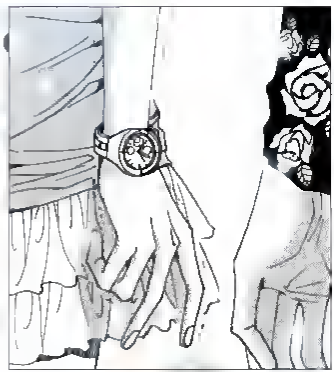
Just now...

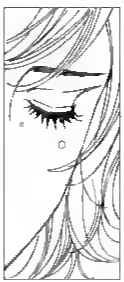


Were you... looking... for me?
Then... were you... waiting for me?

I asked you first.
I ran around this whole area twice like a crazy maniac trying to find you.

...





I don't know.

I don't know...
How to express the kind of feeling I get during moments like this...

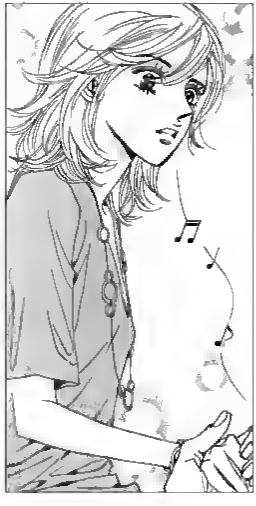
Me.. Too..

Honestly... Back there...
I felt despair

Sorry.. I was scared that you would discover the things I've been hiding.
I thought that violent attacks... Were my best defense. However, I felt each one of those venomous arrows I slung at you come straight back and pierce me.
I'm no different than you. I really didn't know how to tell you the things I wanted to tell you..

But the weird thing is that I feel like time has already passed by.
And that I already know everything about you...

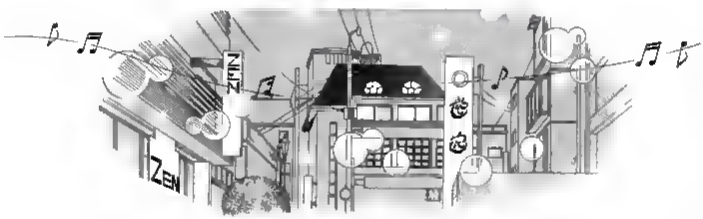
I feel the same way... This bottomless and endless... Familiarity... It doesn't bewilder me at all
So right now, my heart is as peaceful as it can be



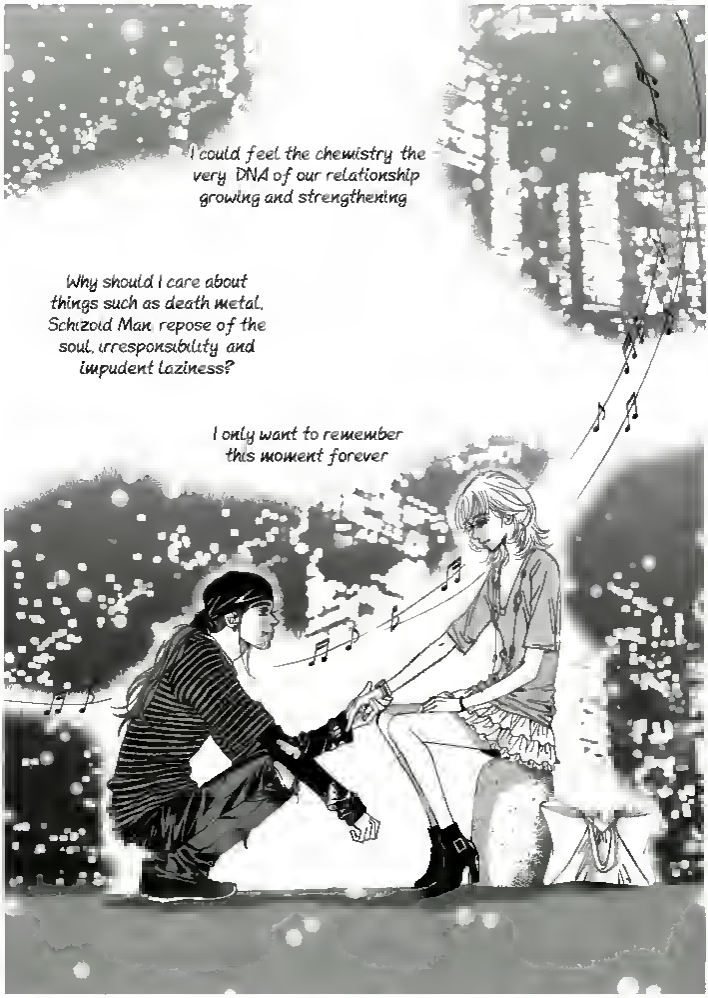
How deep...
How graceful...
How fiery...
How vibrant..
Is this devotion I feel for you, deep inside me... I lay down wrapped in your body— Your blaze setting me on fire..
I lay down wrapped in your body— Your bed my last refuge—
It's a song from a death metal band that I like
Will you sing a bit louder...? I want to hear it.

T/N: THESE ARE THE LYRICS OF AN AUTUMNAL NIGHT PASSION CHOVEMENT I) BY DESIRE

As I... listened to Mugyul's low voice singing...



I felt the last knot that had been straining my heart loosen



I could feel the chemistry the very DNA of our relationship growing and strengthening
Why should I care about things such as death metal, Schizoid Man, repose of the soul, irresponsibility and impudent laziness?
I only want to remember this moment forever

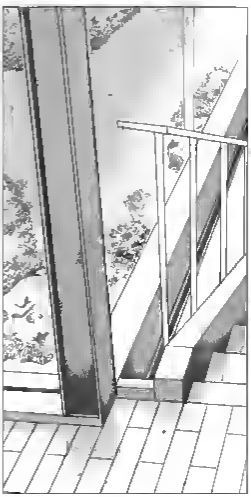
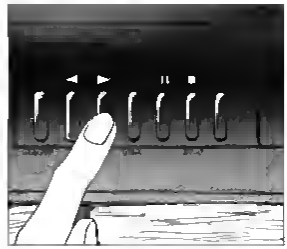
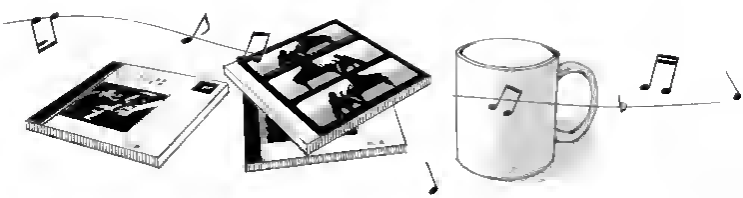
22. Jung In

I could feel the chemistry the very DNA of our relationship growing and strengthening...
Why should I care about things such as death metal, Schizoid Man, repose of the soul, irresponsibility and impudent laziness?
I only want to remember this moment forever

Because this moment, this beautiful moment, will stay with me.







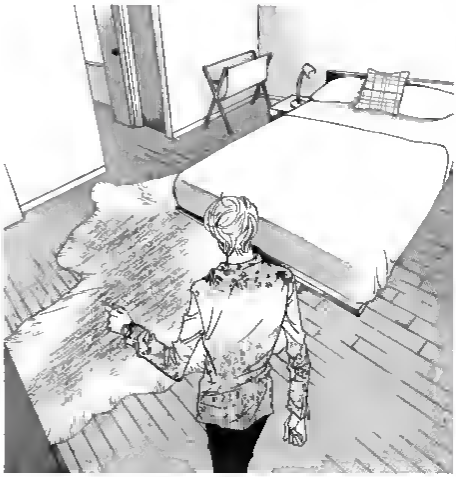
Today's schedule is...

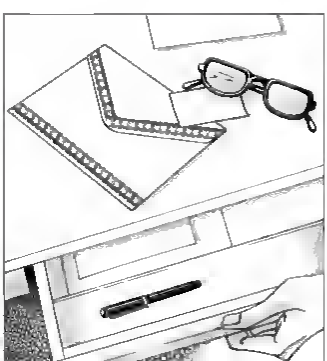
First a screening of a new artists in Kangnam.

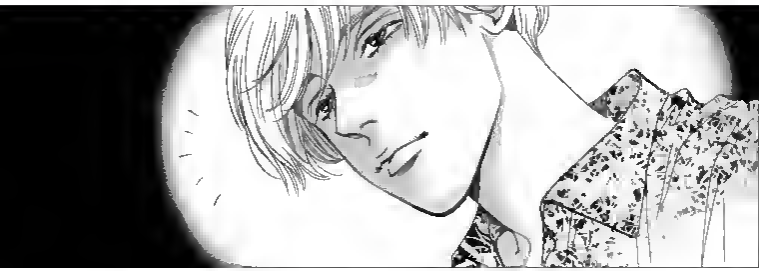
A meeting with a Saeji Movie Producer

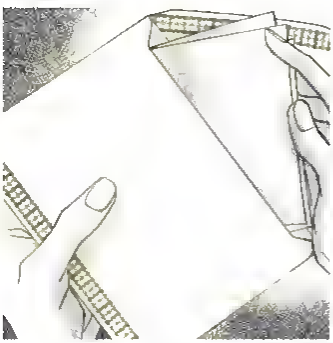
And then a late meal with an investor.

It's going to be leisurely today





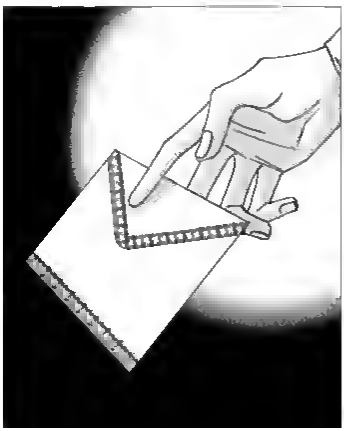




Is it Mary again?

As expected...

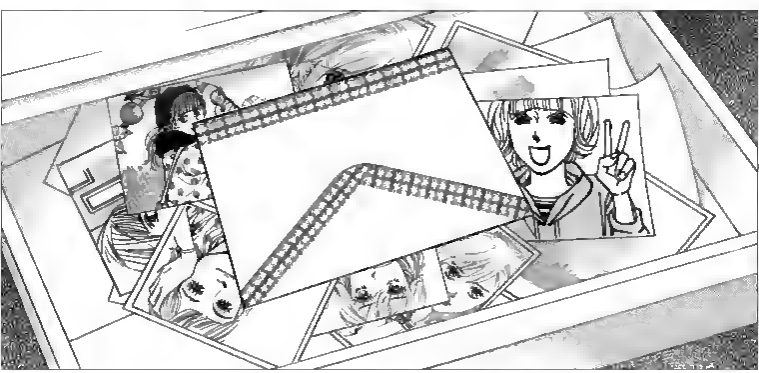
Doesn't he get tired of this?!



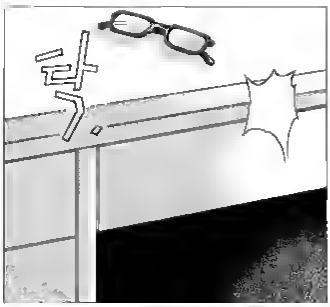
Anyway... This picture of her is better than earlier ones

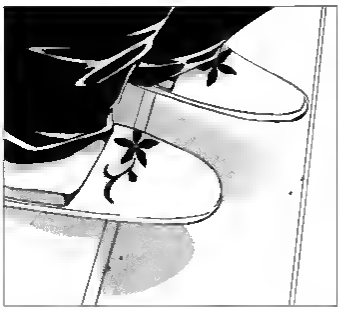
I feel familiar with her..

Even though I've only met her a few times when we were younger

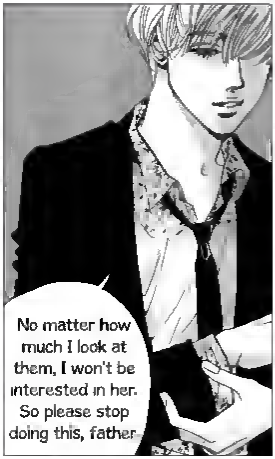


Damn.. I can't even throw the pictures out





When did you get here? You should have at least told me you were here.
Why do you care when we're neighbors? Anyway... Did you see it? The new update?



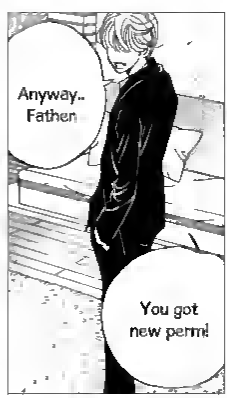
No matter how much I look at them, I won't be interested in her. So please stop doing this, father.

I just can't stop doing something that's been going on for nearly ten years.
It's just not the right time You'll see, you just don't know it yet.

If the right time comes, I will take care of it myself!
As I wish?

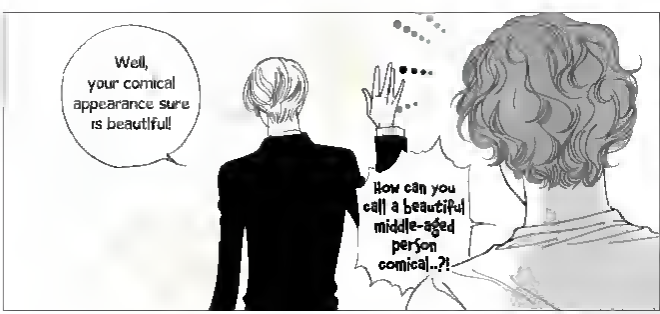
No, as I wish!

Tch!
Cheeky bastard!



Anyway..
Father
You got
new perm!

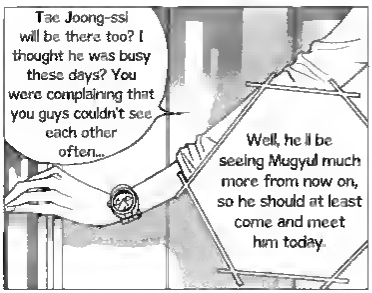
Ah! Does it look okay? I put a lot of money into this...



Well, your comical appearance sure is beautiful!
How can you call a beautiful middle-aged person comical..?!

I'm in front of the building. I just have to hand over the portfolio and then I'll be waiting at the meeting spot!
I don't think I'll be late at all!

Anyway, today I will finally get to meet Mugyul Gang... Hee hee.
My Tae Joong will come today too, so be prepared to stay out late! Okay?
NC



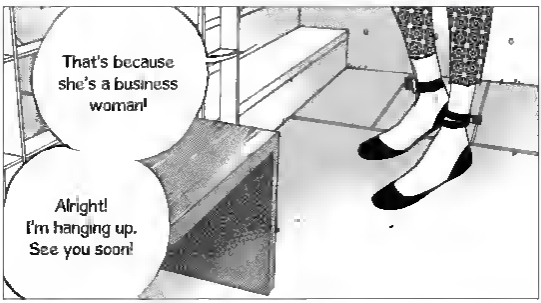
Tae Joong-ssi will be there too? I thought he was busy these days? You were complaining that you guys couldn't see each other often...
Well, he'll be seeing Mugyul much more from now on, so he should at least come and meet him today.

When I was the only one dating, you two were so indifferent about it. However, now you'll know exactly how I feel.

Tell me about it. We average five calls a day.
I think we've talked over four hours on the phone alone. This isn't normal, right?

Of course it is! Normal and all part of procedure. I was like that too!
Anyway, this is a couple meeting, right? So who's Nak-In bringing?
Dear

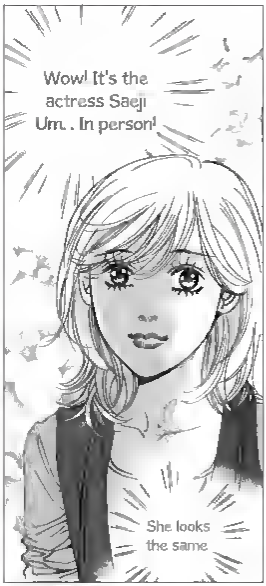
Do you even know how many guys she's passed up? She says that she hates relationships, but she's always interested in other people's relationships.



That's because she's a business woman!
Alright! I'm hanging up. See you soon!

Whoa! Saeji-ssi! You're so pretty!
Kya!
I've been your fan for such a long time!
Me too!

Th... thank you.
I've watched all of your dramas! Meeting you like this... It's such an honor!
Could you... sign this...?



Wow! It's the actress Saeji Um . In person!
She looks the same

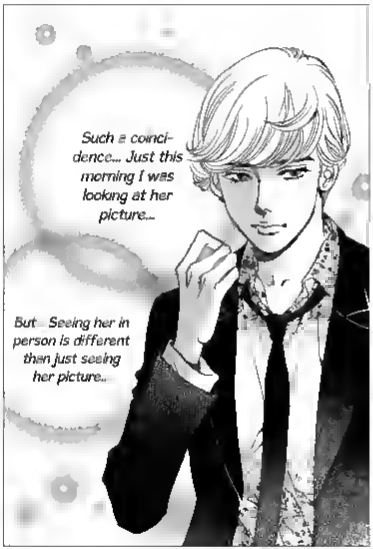
Uh...

Is... it...?

Mary..?

Jung In-ssi, let's go.

Who are you looking at so intensely?
Do you know her?
Yeah... Although I am not 100 percent sure



Such a coincidence... Just this morning I was looking at her picture...
But... Seeing her in person is different than just seeing her picture...

I have to meet up with my friends an hour earlier than planned...
So... Why did you call me when I was going to see you soon?
P

From this morning, a quote has been stuck in my head all day.
What is it?

"Only the soul that's in love can be happy".
Mary Wi, are you happy right now?

Seeing as to how there kinds of words reach deep into my heart, I think I really am in love.

Mhm! I feel like a balloon that drank loads of helium on a bright summer morning and wants to float away!
That's happiness, right?

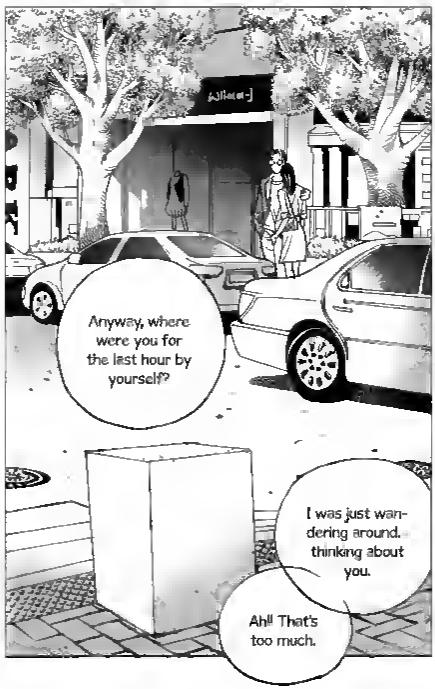
Hahahaha! Drank helium...? What kind of wording is that?
Hah! You say even weirder things!

Hahaha! I was already a weirdo

I don't care if you are weird..
I already decided to look at your flaws as something beautiful

Mary!
!
W..When did you get here?
I've been waiting in front of the building for a while

I didn't know you got here so soon...
Sorry... If I hadn't slept in we could have come together...



Anyway, where were you for the last hour by yourself?
I was just wandering around, thinking about you.
Ah!! That's too much.

Mugyul... and I...

The moment we opened up our hearts...

It felt as if...

We have already...

Become completely different people...

Holding hands...

Leaning onto the other's shoulder...

Starting out conversations with small chatter...

Laughing at a response that was not supposed to be a joke...

To us...

All these actions were filled with unfamiliar

As if we were experiencing them...

For the first time since we've been born.

This all happened because of everything though...
Well... My heart is still full of the scent of strawberries.

HOHO, MANY E WILL ADVICE YOU FOOD MOM ON
Miss Flynn

WOO GIRL IS CONCEPTUALLY DIFFERENT FROM OUR TWO. WOO GIRL IS GOOD-LOOKING. GOOD-LOOKING PEOPLE CAN'T AVOID BEING LEFT ALONE.
MY TAE JOONG HAS BEEN HERE WORK AND HE IS HIS EVERYTHING.

CRY NOTH~ YOU HAVE WITH WOO GIRL!

WOO GIRL IS DIFFERENT THAN WHAT I LOOK!
HE ALWAYS SHOWS UP ON TIME, AND HE'S NOT A BAD DANCE. HE WORKS HARD AND IS A GOOD MAN.

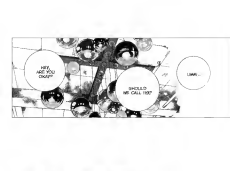
26. The Chest of a Bird

She's not in her uniform... Was this during high school...? Or maybe during university...?
She looks so young... Which university was this?



AN ANALYTIC GIRL? WHAT'S SO FUN ON THE PLANETARIUM DATE...?
I THINK SHE DOESN'T LIKE ME...
WOW... LET'S GO SOMETIMES TOO.
OR THAT SILLY PERSPECTIVE?
UNLESS HER IS REALLY THAT IS REALLY UNLIKE...
FEEL SOMEWHAT JEALOUS

I...SO WANT TO HAVE A PROPOSAL PRODUCE... LIKE IN THE MOVIES!

BUT THE WOMAN LOOKS LIKE SHE WAS OUT OF A STORE!
BUT DO THAT REALLY LIKE TO ?
THAT MAN!

I HAVE TO GO HOME NOW TO HAVE TO SEE SOON IN MY OWN WAY
BUT AT THE SAME MOMENT, HE SUDDENLY FELL DOWN...
TODAY THE WEATHERS IS LIKE A SHOWING OFF...
Right...It's a decent noon...
There's something on your shoes...

That's the...
The fantasy star like that...
It's a graceful betrayal...

When I drink Caramel Macchiato, I get tired of it...
When I go to an exhibition, always...
I resort... look at the t
I'M THERE, WE ALL WAS WAITING FOR DATE.

And yet?
There's a love illness called blue hang love sick
No matter what like he talk is... the problem is if they're going to have a fair investigation

We are too easily swayed by the media...
Every world has to not lose most...
When somebody like appears...
Everybody thinks about how much further I will go with him...

It's not just this time...
That's the fight of the century.

Mary is...
Mary...
Answer!

ARE YOU LISTENING TO ME?!
HUH? WHAT?

I NEVER IMAGINED BEING SO UNCOMFORTABLE SINCE I WAS BORN IN THIS WORLD!
GO... WHAT'S THIS? YOUR LIPS WERE WORDED 'TOUCH' ALL!!!

HOW MANY TIMES HAVE WE MET...
WE NEED TO GET TO KNOW MORE ABOUT EACH OTHER BEFORE DATING

DO YOU GET TURN ON EVERY TIMES YOU SEE A GIRL YOU ALL LIKES, YOU LOOKING AT YOUR PANTS?

Before I heard the fervent love confession...
Before dating each other for twenty times...
laugh
laugh
laugh
laugh

Before realizing that I will never have a love like this again...
I lived with a chest of a blind for 29 years. When I opened my chest I was...
HEY, LET'S DO IT!
I returned like that.

SCHOOL KIDS? WHY?

I WANT OUR WARRIORS TO BE BLESSED BY THE MOST SACRED PRIEST SOUL.

THAT'S A COOL IDEA, WOO BYUL!

HOW DO WE FIND A SCHOOL BUS?

I KNOW A GUY WHO'S A SCHOOL BUS OWNER!

REALLY?! THEN WE ALREADY HAVE A GUY WHO CAN DO IT FOR US!?

BJØRK/ HAHAHA!

YOU'RE JUST USUALLY AWAITING.

WE WON'T ALWAYS BE HAPPY.

BUT I'M SURE NOTHING WILL NEVER LEAVE US BEHIND.

WHAT DO YOU WANT TO DO FOR OUR WEDDING DAY?

I WANT IT JUST A NORMAL WEDDING?

YOU'RE JUST MAKING LIFE MARITAL!

STOP GIVING THAT LAME EXCUSE! AND STOP BEING SO AFRAID!

SO I'M GOING TO TASTE HIM.

OH...?

AND THEN THERE WAS THE MOMENT WHEN THE GIRL'S EYES SHONE BRIGHTLY AND SHE BECAME ENTHUSIASTIC ABOUT SOMETHING.

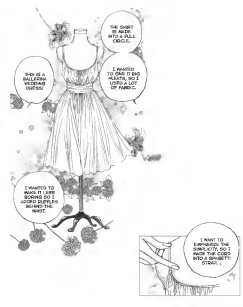
39. Hesitation Blues



THE SMART THING IS IT'S A DULL GREY...
I WANTED TO LOOK GOOD PLASTIC, SO I USED A LOT OF FABRIC...
THIS IS A BALLERINA WEDDING MATRON.
I WANTED TO MAKE IT LOOK BOXING DO I CONCENTRATE ON MEDIUM THE WAIST.

THIS IS A KIND OF SHOULDER TOP. THE BACK IS HOLD EXCLUSIVE AND TAKE THE WEIGHT ON THE CLOTHING.
THIS NOT IS ON AROUND THROW CAPE

THIS IS THE MOST BEAUTIFUL WEDDING DRESS.
THANK YOU, NAN ZAI.
I DIDN'T KNOW THAT YOU WERE GOING TO BUY ONE SO SOON.
I DON'T WANT TO BE BITTER, BUT I WASN'T MARRIED - YOU ARE SINGLY AMAZING.
PAT
I CRIED A LITTLE AND YOU WIPING THE DROOL!
PAT

I'M JUST LOOKING AT YOU AND WONDERING WHAT IS PROBLEM... WITH MY MARRIAGE...
IS IT BECAUSE OF THAT WOMAN? DO I HAVE YOU TO CHECK IT MANY TIMES?!
THAT'S NOT IT, SHE IS REALLY JUST A FRIEND. I'VE GIVE THE PHOTO-
STOP TALKING ABOUT IT! I'M GOING TO CHANGE MY TEY SHIT

WE ALWAYS QUARREL OVER THESE SMALL THING AND THEN WE COME BACK WHAT WE PLUCKED FROM EACH OTHER...
HOW MUCH HE LOVED ME, HOW MUCH I LOVED HIM.

WHEN MY MOOD GOT COLD, I'D SEE THE CONDITION OF A MORNING.
BUT WHEN I DIED YOU, I FEEL LIKE MY BEGINNING OF BEING SE FRAIL.
MR FAMILY, BLOOD ALSO BE, BACKGROUND, GUYS, ALL OF THESE THINGS, SO BE TWOUT THINGS AND THOUGHT THAT MY MARRIAGE WILL BE HAPPY.

MARRIED? WHAT'S SO WRONG WITH YOU WANT TO BE MARRIED?
MARY IS GOING TO BE MARRIED, TOO ALL WE EVER TALK ABOUT IS MODERN RELENTLESS.
WHO TOLD YOU TO BET MARRIED? IT'S FAIRLY? YOU ABOUT EVEN CONTENT?

AND MARY DON'T KNOW ANYONE ELSE, SO SHE NEED NOW!
OH! YOU KNOW EVERYTHING ABOUT YOUR HUSBAND, BUT BY YOURSELF, LIKE THIS?
GET UP
NAN ZAI.

IT'S LACKING A LOT OF THINGS... BUT, LIFE IS LIKE THAT
I DON'T WANT MY PARTNER TO FILL UP THE VOID IN ME. JUST LIKE HOW I DON'T FILL THE VOID IN HIM. JUST LIKE HOW WE'LL FILL THE TIMELINE I LACK IN LIFE.

WOO EKKI, AND YOU... YOU ENJOY BEING ALONE, BE TOGETHER?
SOOHO, TO BE CLOSE TO AN INCOMPATIBLE PERSON EVEN IF DOESN'T NOT MATTER HOW LONG IT TOOK TO FIND THEM.
RIGHT! RIGHT!
WHEN IT COMES TO THE ONE I LOVE, I'M NOT RUSHING OF WHETHER WE'RE AT A GUARD.
SO I DON'T HAVE TO BE WITH ME JUST YET APPEARED TO ME.
I WANT HIM TO BE FOR THE RIGHT MOMENT.
WELL THERE REALLY BE SOMEONE FOR YOU, WHEN IS IT?
ARE YOU SERIOUSLY PAYING ATTENTION?
LOTTE, STOP AND CHILL DOWN, OKAY?

SO IF YOU DON'T WANT TO HAVE A LONELY ENDING, DON'T PLAY HARD TO GET. DO MUCH.
WOO, DON'T YOU KNOW THAT ALL THE GIRLS ARE HOOKED WITH THAT BUT MARGERET?
THAT'S TOO MUCH FOR ME!!!
LOTTE YOU'LL BE LOOKING LOOK TOO SAD PRINCE?
THEN THE FANTASY BECOMES A REALITY WHEN YOU MEET HER
AH, THAT'S BETTER!

We all...

use our own language

and express our complicated emotion...

Our fundamental thirst is just...only...saying 'Love me'

to people...?
